Over Dimensional Load Permit

Loads that cross railways or tramways in Victoria and exceed dimensions prescribed under the *Transport (Compliance and Miscellaneous) Act 1983* require a permit.

Over dimensional load permits contain conditions that users must follow to ensure the safe movement of vehicles, freight and large loads over railways and tramways in Victoria.

All permit applications must be submitted at least five business days before the intended date of travel.

Penalties

The following penalties are prescribed under the *Transport (Compliance and Miscellaneous) Act 1983*.

Failure to obtain or comply with the conditions of a permit may result in penalties of up to \$3,304.00 (from 1 July 2020).

Providing false or misleading information may result in penalties of up to \$49,566.00 in the case of a corporation, or maximum 6 months imprisonment or \$9913.20 or both in any other case.

Any damage caused to public or private infrastructure may result in prosecution and may render insurance policies null and void.
