

MARINE SAFETY - FEES AND PENALTIES

In accordance with the **Monetary Units Act 2004**, the value for **2020-21** is:
Fee unit \$14.81
Penalty unit \$165.22

The amount of fees are determined by multiplying the number of fee units contained in the legislation by the current value of the fee unit (section 7(1)) and rounded to the nearest 10 cents (section 7(3))
The amount of penalties are determined by multiplying the number of penalty units contained in the legislation by the current value of the penalty unit (section 7(2)) and rounded to the nearest dollar (section 7(4))

Relevant legislation and description of penalties	Short Infringement description	Infringement Penalty From 1 July 2020		Maximum Court Penalty From 1 July 2020		
		(\$)	Units	(\$)	Units	
Marine Safety Act 2010						
24(1)	Duties of port management bodies and local port managers to ensure safety of marine safety infrastructure operations - (1) A port management body must, so far as is reasonably practicable, ensure the safety of marine safety infrastructure operations carried out by the port management body or supplied to that body In the case of a natural person In the case of a body corporate	n/a n/a	n/a n/a	\$297,396.00 \$1,486,980.00	1,800.00 9,000.00	
25(1)	Duty of Port of Melbourne operator to ensure safety of marine safety infrastructure operations - (1) A The Port of Melbourne operator must, so far as is reasonably practicable, ensure the safety of marine safety infrastructure operations carried out by the port management body or supplied to that body In the case of a natural person In the case of a body corporate	n/a n/a	n/a n/a	\$297,396.00 \$1,486,980.00	1,800.00 9,000.00	
25A(1)	Duties of persons who manage boating activity events (1) A person who manages a boating activity event must, so far as is reasonably practicable, ensure the safety of participants in the boating activity event or persons affected by the boating activity event In the case of a natural person In the case of a body corporate	n/a n/a	n/a n/a	\$297,396.00 \$1,486,980.00	1,800.00 9,000.00	
26(1)	Safety duties in relation to design, manufacture and supply of vessels - (1) A person who designs, commissions, constructs, manufactures, supplies, maintains, repairs or modifies a vessel must - (a) ensure, so far as is reasonably practicable, that the vessel is safe if it is used for a purpose for which it was designed, commissioned, constructed, manufactured, supplied, maintained, repaired or modified; (b) carry out, or arrange the carrying out, of such testing and examination as may be necessary for compliance with this section; (c) in the case of a vessel to which paragraph (a) applies, take such action as is necessary to ensure that there will be available in connection with the use of the vessel adequate information about - (i) the use for which the vessel was designed, commissioned, constructed, manufactured, supplied, maintained, repaired or modified; and (ii) the results of any testing or examination referred to in paragraph (b); and (iii) any conditions necessary to ensure the vessel is safe if it is used for a purpose for which it was designed, commissioned, constructed, manufactured, supplied, maintained, repaired or modified In the case of a natural person In the case of a body corporate	n/a n/a	n/a n/a	\$297,396.00 \$1,486,980.00	1,800.00 9,000.00	
27(1)	Safety duties in relation to design, manufacture and supply of marine safety equipment - (1) A person who - (a) designs, commissions, constructs, manufactures, supplies, installs, maintains, repairs or modifies any thing; and (b) knows, or ought reasonably to know, that the thing is, or is to be used as, marine safety equipment - must - (c) ensure, so far as is reasonably practicable, that the thing is safe if it is used for a purpose for which it was designed, commissioned, constructed, manufactured, supplied, installed, maintained, repaired or modified; (d) carry out, or arrange the carrying out, of such testing and examination as may be necessary for compliance with this section; (e) in the case of a thing to which paragraph (c) applies, take such action as is necessary to ensure that there will be available in connection with the use of the thing adequate information about - (i) the use for which the thing was designed, commissioned, constructed, manufactured, supplied, installed, maintained, repaired or modified; and (ii) the results of any testing or examination referred to in paragraph (d); and (iii) any conditions necessary to ensure the thing is safe if it is used for a purpose for which it was designed, commissioned, constructed, manufactured, supplied, installed, maintained, repaired or modified In the case of a natural person In the case of a body corporate	n/a n/a	n/a n/a	\$297,396.00 \$1,486,980.00	1,800.00 9,000.00	
28(1)	Duties of suppliers of marine safety infrastructure operations to port management bodies - (1) A person who supplies marine safety infrastructure operations to a port management body must, so far as is reasonably practicable, ensure the safety of those operations. In the case of a natural person In the case of a body corporate	n/a n/a	n/a n/a	\$297,396.00 \$1,486,980.00	1,800.00 9,000.00	
29(1)	Duties of suppliers of vessel operations to owners of commercial vessels - (1) A person who is not a marine safety worker and who supplies vessel operations to an owner of a commercial vessel must, so far as is reasonably practicable, ensure the safety of those operations. In the case of a natural person In the case of a body corporate	n/a n/a	n/a n/a	\$297,396.00 \$1,486,980.00	1,800.00 9,000.00	
30(1)	Duties of marine safety workers - (1) A marine safety worker, when carrying out marine safety work, must - (a) take reasonable care for his or her own safety; and (b) take reasonable care for the safety of persons who may be affected by the marine safety worker's acts or omissions; and (c) co-operate with the regulated entity employing or engaging them with respect to any action taken by the entity to comply with a requirement imposed by or under this Act or the regulations.	n/a	n/a	\$297,396.00	1,800.00	
30(2)	Duties of marine safety workers - (2) A marine safety worker, when carrying out marine safety work, must not intentionally or recklessly interfere with or misuse anything provided to them by the regulated entity employing or engaging them - (a) in the interests of safety; or (b) under this Act or the regulations.	n/a	n/a	\$297,396.00	1,800.00	
30(3)	Duties of marine safety workers - (3) A marine safety worker, when carrying out marine safety work, must not wilfully or recklessly place the safety of another person on or in the immediate vicinity of marine safety infrastructure at risk.	n/a	n/a	\$297,396.00	1,800.00	
31(1)	Masters of recreational vessels or hire and drive vessels must take reasonable care - (1) A master of a recreational vessel or hire and drive vessel must, when carrying out vessel operations - (a) take reasonable care for his or her own safety; and (b) take reasonable care for the safety of persons who may be affected by the master's acts or omissions.	n/a	n/a	\$9,913.00	60.00	
31(2)	Masters of recreational vessels or hire and drive vessels must take reasonable care - (2) A master of a recreational vessel or hire and drive vessel, when carrying out vessel operations, must not wilfully or recklessly place the safety of another person on board, or in the immediate vicinity of, the recreational vessel or hire and drive vessel at risk.	n/a	n/a	\$9,913.00	60.00	
32(1)	Persons participating in the operation of a recreational vessel or hire and drive vessel must take reasonable care - (1) A person (other than the master of a recreational vessel or hire and drive vessel) who operates a recreational vessel or hire and drive vessel must, when doing so under the direction of the master of the recreational vessel or hire and drive vessel - (a) take reasonable care for his or her own safety; and (b) take reasonable care for the safety of persons who may be affected by his or her acts or omissions; and (c) comply with a direction of the master that the master has given to the person - (i) in order for the master to operate the vessel safely; or (ii) in order for the master or person to comply with a requirement imposed under this Act or the regulations.	n/a	n/a	\$4,131.00	25.00	
32(2)	Persons participating in the operation of a recreational vessel or hire and drive vessel must take reasonable care - (2) A person (other than the master of a recreational vessel or hire and drive vessel) who operates a recreational vessel or hire and drive vessel must not intentionally or recklessly interfere with or misuse anything provided to them by the master - (a) in the interests of safety; or (b) in accordance with this Act or the regulations.	n/a	n/a	\$9,913.00	60.00	
32(3)	Persons participating in the operation of a recreational vessel or hire and drive vessel must take reasonable care - (3) A person (other than the master of a recreational vessel or hire and drive vessel) who operates a recreational vessel or hire and drive vessel must not wilfully or recklessly place the safety of another person on board, or in the immediate vicinity of, the recreational vessel or hire and drive vessel at risk.	n/a	n/a	\$9,913.00	60.00	
33(1)	Passengers on board vessels must take reasonable care - (1) A passenger on board a vessel must - (a) take reasonable care for his or her own safety; and (b) comply with a direction of the master of the vessel that the master has given to the person - (i) in order for the master to operate the vessel safely; or (ii) in order for the master or passenger to comply with a requirement imposed under this Act or the regulations.	n/a	n/a	\$4,131.00	25.00	
33(2)	Passengers on board vessels must take reasonable care - (2) A passenger on board a vessel must not intentionally or recklessly interfere with or misuse anything provided to them by the master of the vessel - (a) in the interests of safety; or (b) in accordance with this Act or the regulations.	n/a	n/a	\$9,913.00	60.00	
33(3)	Passengers on board vessels must take reasonable care - (3) A passenger on board a vessel must not wilfully or recklessly place the safety of another person on board, or in the immediate vicinity of, the vessel at risk.	n/a	n/a	\$9,913.00	60.00	
37(1)	(1) An owner of a recreational vessel must not cause or allow the vessel to be operated on State waters unless that vessel is— (a) registered under this Part; or (b) exempted from registration— (i) by the regulations; or (ii) by a notice given by the Safety Director under section 260.	As owner, cause or allow an unregistered recreational vessel or recreational vessel not exempt from registration to be operated	\$826.10	5.00	\$9,913.00	60.00

304(2)	Offence to offer or accept bribes - (2) A person must not, directly or indirectly, give or offer to give, cause to be given or attempt to give any bribe to a relevant person for the purpose of influencing the relevant person to perform or exercise his or her duties in a manner that he or she would not usually perform his or her duties.	n/a	n/a	\$198,264.00	1,200.00	
304(3)	Offence to offer or accept bribes - (3) A relevant person must not accept a bribe to perform his or her duties in a manner that he or she would not usually perform his or her duties.	n/a	n/a	\$198,264.00	1,200.00	
305(1)	Obtaining licence etc. by false statements - (1) A person must not - (a) by any false statement or any misrepresentation or other dishonest means obtain or attempt to obtain any notice, certificate, licence, registration or other document, or any identifying number or general identification mark that is authorised, issued or required by or under this Act; or (b) without lawful authority or excuse possess any notice, certificate, licence, registration or other document so obtained.	n/a	n/a	\$9,913.00	60.00	
Marine Safety Regulations 2012						
9(3)	A person to whom an exemption applies must comply with any conditions imposed on the exemption.			\$1,652.00	10.00	
15	A registered person must, in respect of the vessel registered in the registered person's name, notify the Safety Director in writing within 28 days after any changes to the details of the vessel given under regulation 11(2)(d).	Failing to notify the Safety Director of a change of details to the vessel provided under regulations 11(2)(d)	\$165.22	1.00	\$3,304.00	20.00
16	A registered person must notify the Safety Director in writing, about any change to the following within 14 days after the change— (a) the name of the registered person; (b) the residential address of the registered person; (c) the postal address or address for service of notices for the registered person.	Failing to notify the Safety Director of a change of name or address of registered person.	\$165.22	1.00	\$3,304.00	20.00
17	For the purposes of section 39 of the Act, a person who disposes of a vessel registered in the person's name must, within 14 days after disposing of the vessel— (a) complete and sign the relevant section of an application for transfer of registration in the form approved for that purpose by the Safety Director; and (b) give the person who acquires the vessel the application for transfer of registration.	Transfer of registration of a vessel—obligations of person disposing of vessel	\$165.22	1.00	\$3,304.00	20.00
18	A person who acquires a registered vessel must, within 14 days after the acquisition of the vessel— (a) complete and sign the relevant section of an application for transfer of registration in the form approved for that purpose by the Safety Director; and (b) give the Safety Director the completed application for transfer of registration; and (c) pay the fee specified under regulation 137.	As person acquiring registered vessel, fail to comply with transfer requirements.	\$165.22	1.00	\$3,304.00	20.00
24(2)	(2) The owner of a registered recreational vessel must ensure that the registration label issued by the Safety Director under subregulation (1) for that vessel is fixed and remains fixed in a conspicuous position on the outside or upper part of the vessel.	As owner of a registered recreational vessel, fail to fix registration label in conspicuous position.	\$165.22	1.00	\$3,304.00	20.00
24(3)	(3) The owner of a registered recreational vessel that is not a personal watercraft must ensure that the identification mark that is assigned by the Safety Director for that vessel is painted or displayed in appropriate characters— (a) on each side of the hull of the vessel; and (b) forward of the beam; and (c) so that the highest part of each digit commences at a point no more than 75 millimetres below the gunwale.	As owner of a registered recreational vessel that is not a personal watercraft, fail to ensure identification mark is painted or displayed in certain positions on vessel.	\$330.44	2.00	\$3,304.00	20.00
24(5)	(5) The owner of a registered recreational vessel that is a personal watercraft must ensure that the identification mark that is assigned by the Safety Director for that vessel is painted or displayed in appropriate characters— (a) on each side of the hull of the vessel; and (b) forward of the beam; and (c) so that the highest part of each digit commences at a point no more than 25 millimetres below the gunwale.	As owner of a registered recreational vessel that is a personal watercraft, fail to ensure identification mark is painted or displayed in certain positions on vessel.	\$330.44	2.00	\$3,304.00	20.00
24(7)	(7) A person must not act as the master of a registered vessel on State waters unless an identification mark is painted or displayed on the vessel in accordance with subregulation (3) or (5).	Act as master of a registered vessel without identification mark displayed.	\$330.44	2.00	\$1,652.00	10.00
26(1)	(1) A person issued with a special identification plate under regulation 25 must— (a) ensure at all times that the special identification plate is displayed on the vessel for which the plate has been issued; and (b) not use, or allow the vessel to be used, for any purposes other than— (i) operating the vessel from place to place while the vessel is in the process of manufacture or repair; or (ii) operating the vessel from the place of manufacture to the place where it will be offered for sale; or (iii) testing the vessel; or (iv) demonstrating the vessel to a purchaser or prospective purchaser; or (v) delivering the vessel for or after sale; or (vi) carrying out repairs to the vessel; or (vii) returning the vessel to its owner after it has been repaired; and (c) not allow the vessel to be operated by a person other than— (i) the person issued with the special identification plate; or (ii) an employee of the person issued with the special identification plate; or (iii) a person under the direct supervision of either the person issued with the special identification plate or an employee of the person issued with the special identification plate; and (d) ensure that the special identification plate is fixed to the vessel where it can be easily seen; and (e) keep at the person's office or place of business a record which contains the personal particulars of each person who operates the vessel.		n/a	n/a	\$1,652.00	10.00
26(2)	(2) A person issued with a special identification plate under regulation 25 must not enter any personal particulars which he or she knows, or should reasonably know, to be false in any records kept under subregulation (1)(e).		n/a	n/a	\$1,652.00	10.00
51(3)	(3) The holder of a marine licence that is subject to conditions must carry, while operating a regulated recreational vessel, a notice issued by the Safety Director containing a full explanation of those conditions, if required by the Safety Director to do so.		n/a	n/a	\$1,652.00	10.00
53	Change of name or address - (1) The holder of a marine licence must notify the Safety Director in writing, not more than 14 days after the change, about any change in his or her— (a) name; or (b) residential address; or (c) postal address or address for service of notices.				\$1,652.00	10.00
54	The holder of a marine licence must, as soon as practicable, notify the Safety Director of any permanent or long-term injury or illness that may impair his or her ability to operate a registered recreational vessel or a regulated hire and drive vessel safely.	Notification of illness or injury	n/a	n/a	\$1,652.00	10.00
91(1)	(1) The master of a recreational vessel or a recreational hire and drive vessel must not permit the vessel to be fuelled at a wharf, jetty or pier if there are passengers on board the vessel.	As master of a recreational hire and drive vessel, permit vessel to be fuelled at wharf, jetty or pier with passengers on board.	\$330.44	2.00	\$3,304.00	20.00
91(2)	(2) The master of a recreational vessel or a recreational hire and drive vessel must not permit the vessel to be restarted after being fuelled at a wharf, jetty or pier if there are passengers on board the vessel.	As master of a recreational hire and drive vessel, permit vessel to be restarted after being refuelled at wharf, jetty or pier with passengers on board.	\$330.44	2.00	\$3,304.00	20.00
92(1)	(1) A person must not act as the master of a recreational vessel or a recreational hire and drive vessel that is overloaded as specified in subregulation (2).	Act as master of an overloaded recreational vessel or regulated hire and drive vessel.	\$330.44	2.00	\$3,304.00	20.00
93	A person must not act as the master of a recreational vessel or a recreational hire and drive vessel fitted with a flying bridge if the number of persons being carried on the flying bridge exceeds one quarter of the number of people (rounded up to the nearest whole number) permitted to be carried on the vessel under regulation 92(2).	Act as master of recreational vessel or regulated hire and drive vessel with overloaded flybridge.	\$330.44	2.00	\$3,304.00	20.00

MARINE SAFETY - FEES AND PENALTIES

In accordance with the *Monetary Units Act 2004*, the value for **2020-21** is:
Fee unit
Penalty unit

\$14.81
\$165.22

The amount of fees are determined by multiplying the number of fee units contained in the legislation by the current value of the fee unit (section 7(1)) and rounded to the nearest 10 cents (section 7(3))
The amount of penalties are determined by multiplying the number of penalty units contained in the legislation by the current value of the penalty unit (section 7(2)) and rounded to the nearest dollar (section 7(4))

Relevant legislation and description of penalties	Short Infringement description	Infringement Penalty From 1 July 2020		Maximum Court Penalty From 1 July 2020	
		(\$)	Units	(\$)	Units
94(1)	(1) The master of a recreational hire and drive vessel, must not allow the vessel to move outside the geographical limits of operation specified in the safe operation certificate for the vessel.	\$330.44	2.00	\$1,652.00	10.00
95	A person must not act as the master of a vessel engaged in towing a person on any State waters unless in addition to the master there is on board the vessel a person who is in a position to— (a) observe the person being towed; and (b) communicate with the master of the vessel.	\$330.44	2.00	\$1,652.00	10.00
96 (1) (2) (in coastal waters), (4) (6) (in enclosed or inland waters)	(1) A person must not be the master of a recreational vessel of a class specified in Column 2 of Table A in Schedule 3 in coastal waters unless the vessel is equipped with the items of equipment listed in Column 3 for that vessel in the quantity specified opposite in Column 4. (2) A person must not be the master of a recreational vessel of a class specified in Column 2 of Table B in Schedule 3 in coastal waters unless the vessel is equipped with the items of equipment listed in Column 3 for that vessel in the quantity specified opposite in Column 4.
